

DIVYA RASTOGI

PRODUCT DESIGNER · UI/UX DESIGNER · ARCHITECT Brisbane, Australia • +61 423 145 086

ardivyarastogi@gmail.com • [Portfolio](#) • [LinkedIn](#)

EDUCATION

July 2026

MASTER OF INTERACTION DESIGN, The University of Queensland

Coursework focus: human-computer interaction, immersive XR/AR-VR development, design research methods, and interaction design theory.

June 2017

BACHELOR OF ARCHITECTURE, Bharatiya Vidyapeeth Deemed University

Focus on spatial design, 2D/3D modelling, User-centered architectural practice, and Urban design.

PROFESSIONAL EXPERIENCE

February 2025 - Present

ACADEMIC TUTOR, Human-Computer Interaction & Design Thinking, The University of Queensland

- Guided 200+ students in user research, design thinking, usability testing, and UX design, enabling inclusive, research-driven project outcomes.
- Mentored 20+ student teams, translating qualitative insights from HCI theory into actionable design strategies.

June 2025 - June 2026

RESEARCHER, in Media Architecture, The University of Queensland

- Conducted a 12-month user-centered research project on urban “non-places”, using site interviews, behavioral mapping, prototyping, and usability evaluation to inform interactive media architecture design strategies.
- Led contextual inquiry, site ethnography, and qualitative coding of over 10 user interviews to identify movement patterns, pause behaviors, and UX opportunities for an interactive urban design intervention.
- Designed and evaluated an interactive media architecture prototype through 6 participant tests, post-test interviews, and observation to assess emotional engagement and interaction clarity.
- Developed a user-centered design framework for interactive urban experiences, synthesizing site interviews, behavioral mapping, and 8 prototype evaluation sessions into actionable UX design strategies.

August 2022 - August 2023

TUTOR, (Design & Architecture), IPS Academy

- Taught design fundamentals, storytelling, prototyping, and spatial analysis to 100+ architecture and design students, strengthening concept development and presentation skills.
- Mentored 100+ students across multiple design studios, guiding concept development, design thinking, visual communication, and project refinement.
- Strengthened facilitation and communication skills by supporting 100+ students through studio critiques, design discussions, and iterative feedback sessions relevant to UX workshop delivery.

April 2021 - July 2022

TATTOO ARTIST, Client-Centered Creative Practice

- Translated 60+ clients’ personal stories into bespoke tattoo concepts through consultation, visual research, sketching, and iterative design refinement.
- Built client-facing research and trust-building skills through 1:1 consultations, translating personal requirements into precise visual outcomes under permanent-design constraints.

July 2017 - December 2020

ARCHITECT & LANDSCAPE ARCHITECT, Arch Idea & Margosa

- Led concept design, user experience analysis, and visual communication for residential projects over a 3-year period.
- Created 2D/3D models for residential and landscape projects using AutoCAD, SketchUp, and visual presentations, coordinating with engineers and clients from concept to execution.
- Applied problem-solving, spatial analysis, and design communication across 10+ residential projects, interpreting client needs and site constraints into practical design solutions.

AREAS OF EXPERTISE

16+ core UX and design competencies, including

- | | | |
|----------------------------|------------------------------|-------------------------|
| • UI/Visual Design | • UX Research | • Interaction Design |
| • Communication | • Wireframing & Prototyping | • User Flows |
| • Information Architecture | • Journey Mapping | • Usability Testing |
| • Contextual Inquiry | • Qualitative & Quantitative | • Design Thinking |
| • Co-design Workshops | • Analysis | • Storyboarding |
| • Experience Mapping | • Accessibility (WCAG) | • 3D Modelling & Visual |

TECHNICAL SKILLS

12+ industry-standard tools spanning design, 3d modelling, and creative coding

- | | | |
|-----------------------------------|---------------|-------------------------|
| • Figma · Fig Jam | • Arduino IDE | • Adobe Creative Cloud |
| • Autodesk AutoCAD | • Unity | • Sketchup 3D · Blender |
| • HTML · CSS · JavaScript (basic) | • Python | |

CERTIFICATIONS

- UI/UX Design - IIIT Bangalore (2023-2024)
- Faculty Development Programme - Council of Architecture (COA), India (2023)
- Advanced Tattooing - Skin Machine (2021)
- Body Piercing Certification - Tattoo Ashram (2022)
- Arts Certification - Kala Ashram (2019)

EXTRACURRICULAR ACTIVITIES & LEADERSHIP

- NASA (National Association of Students of Architecture) - Held multiple leadership roles across two national conventions (2014, 2016).
- NSS (National Service Scheme) - Coordinated public-space rejuvenation projects over a 5-year period (2012-2017).
- Global Art Biennale - Installation In-Charge & Coordinator across three editions (2013, 2015, 2017).

ADDITIONAL EXPERIENCE, Retail Team Lead/ Sales Representative at Cotton On Group, August 2024 – Present

- Balances casual retail work with full-time master's study, providing front-line customer service in a fast-paced, target-driven environment.
- Took on team lead duties – cash handling, stock management, and coaching newer staff while consistently meeting sales KPI's, sharpened the same instincts I use in UX research "reading what a customer actually needs versus what they first ask for"

REFEREES

Available upon request.
