Product Designer | UX/UI Designer

Brisbane, Australia | +61 423 145 086 | ardivyarastogi@gmail.com | [LinkedIn](#) | [Portfolio](#)

Product Designer with 2+ years of dedicated UX/UI experience, backed by 5+ years of architectural design experience. I specialise in translating complex, research-heavy problems into intuitive digital experiences, from coding qualitative interviews to building reusable design frameworks from academic literature. Currently looking for a full-time Product or UX/UI Designer role where research and design craft work hand in hand.

CORE SKILLS

Product & UX Design: Product Design • UI/UX Design • User-Centred Design • Interaction Design • Information Architecture • Wireframing • User Flows • Prototyping • Responsive Design • High-Fidelity UI • Design Systems • Component Libraries • Accessibility (WCAG)

Research & Evaluation: User Research • Qualitative Research • Contextual Inquiry • User Interviews • Usability Testing • Prototype Testing • Research Synthesis • Journey Mapping • Behavioural Mapping • Data Analysis

Design & Collaboration: Design Thinking • Stakeholder Collaboration • Cross-functional Collaboration • Workshop Facilitation • Agile Collaboration • Experience Mapping

Tools: Figma • Fig Jam • Maze • Google Analytics (GA4) • Adobe Creative Cloud • Excel • Zeplin • Notion • Tableau • HTML/CSS • JavaScript (basic) • Python (basic)

Additional Tools: AutoCAD • SketchUp • Blender • Unity

UX & PRODUCT DESIGN EXPERIENCE

THE UNIVERSITY OF QUEENSLAND | Brisbane, Australia

UX Researcher – Media Architecture | Jun 2025 – Jun 2026

- Conducted **contextual inquiry, semi-structured interviews and behavioural mapping** to understand user movement, behaviours and interactions across fragmented urban environments.
- Reviewed and synthesised findings from **45+ peer-reviewed papers** to inform research direction and a user-centred design strategy.
- Conducted and manually coded **16+ qualitative interviews**, identifying behavioural patterns that informed subsequent UX and interaction design decisions.
- Designed and tested an interactive prototype across **6 rounds of participant evaluation**, iterating the experience based on user feedback and post-test interviews.
- Synthesised findings from **10+ evaluation sessions** into a reusable research and analysis framework for application across different urban sites.
- Collaborated with **academic supervisors and industry mentors** throughout the research, prototyping, evaluation and design process.

THE UNIVERSITY OF QUEENSLAND | Brisbane, Australia

Academic Tutor – HCI & Design Thinking | Feb 2025 – Present

- Mentored **200+ students** in user research, design thinking, usability testing, interaction design and UX design, supporting inclusive and research-driven design outcomes.
- Guided **20 project teams** through end-to-end design processes, from problem definition and research through ideation, prototyping and evaluation.
- Delivered a guest lecture on **Research for Design**, translating qualitative research methods and insights into actionable design strategies.
- Facilitated critiques and provided structured feedback on research, user flows, prototypes and design decisions.

INDEPENDENT CLIENT WORK | Remote

UI/UX Designer (Freelance) | October 2023 – March 2024

- Led the **end-to-end UX/UI redesign** of a digital platform across onboarding, dashboards and core user flows, increasing user engagement by **60%+**.
- Designed responsive, **WCAG-compliant digital experiences** using Figma, translating user and stakeholder feedback into wireframes, prototypes and high-fidelity UI.

- Built and maintained a scalable **Figma design system and component library**, improving consistency, reusability and product-wide UI patterns.
- Iterated designs through multiple rounds of **stakeholder feedback**, refining information architecture, interaction flows and interface patterns.
- Collaborated directly with the client to translate requirements and feedback into user flows, wireframes, prototypes and final interface designs.

ADDITIONAL DESIGN EXPERIENCE

TREEEMENDOUS, ARCH IDEA & MARGOSA | India

Architect & Landscape Architect | Jul 2017 – Jul 2022

- Led concept development and **user-centred design** across **10+ residential and landscape projects**, translating client needs into functional and spatial design solutions.
- Managed projects from **discovery and concept development through design documentation and implementation**, coordinating with clients, engineers and contractors.
- Conducted client consultations and translated requirements into design concepts, spatial layouts, detailed 2D drawings and 3D models.
- Collaborated with multidisciplinary stakeholders to resolve design and implementation challenges and deliver projects within agreed timelines and specifications.
- Used **systems thinking, spatial analysis and visual communication** to solve complex design problems and communicate design intent to stakeholders.

IPS ACADEMY | India

Design Tutor | Aug 2022 – Aug 2023

- Taught prototyping, visual storytelling and spatial analysis to **200+ architecture and design students** across multiple studios.
- Facilitated studio critiques and one-to-one feedback sessions, evaluating design concepts, communication and problem-solving approaches.
- Supported students in developing and iterating design solutions based on structured feedback.

ADDITIONAL EXPERIENCE

COTTON ON GROUP | Brisbane, Australia

Retail Team Lead / Sales Representative | Aug 2024 – Present

- Manage stock operations, team coordination and customer-facing activities while working towards sales and customer experience KPIs.
- Coach and support new team members, strengthening communication, problem-solving and customer service skills.

CERTIFICATIONS

- **UI/UX Design Certification - IIIT Bangalore | 2023–2024**
- **Faculty Development Programme - Council of Architecture, India | 2023**

LEADERSHIP & COMMUNITY

- **Ladies in Technology (UQLIT)** - Member
- **NASA** (Association of Students of Architecture) - leadership roles at national conventions
- **National Service Scheme** - Public-space rejuvenation projects
- **Global Art Biennale** - Installation In-Charge
